Children's Health Guild hosted our Annual Holiday Boutique & Luncheon on Friday, November 30th at the Ritz-Carlton in San Francisco.

This year our intent was to GATHER. GIVE. EMPOWER. to support our mission to provide the full circle of medical care to children and their families, regardless of their ability to pay.

We were delighted to honor Kristen Posey for her philanthropic work to help fight pediatric cancer and presented her with the inaugural Children's Health Guild Helping Heart Award. Kristen and her husband created the Buster and Kristen Posey Fund in 2016, dedicated to raising money for pediatric cancer research.

Thanks to our generous sponsors and donors, the event raised \$180,000 for UCSF Benioff Children's Hospital Oakland and George Mark Children's House.

We thank everyone who joined us November 30th as we kicked off the holiday season with this cherished annual tradition!
